

Dear Parents and/or Guardian,

Welcome back to another wonderful year at Randolphville Elementary School! My name is Matthew Worden, and I am excited to be your child's music teacher this year! It's going to be a fun year and I am looking forward to teaching and learning with your kids. I thought you might like to know a little bit about me.

I grew up nearby in Somerset, and have been living in Piscataway for the past 4 years. I received my Bachelor of Arts in Music Education from Montclair State University, where I also started my classical guitar group, The Marigold Trio. If you ever catch me out and about it will be with my wonderful wife, Nadia. Besides teaching, my favorite hobbies include cooking and playing tabletop games. Over the summer I am hoping to perfect a sourdough recipe, so be sure to ask me about that!

I feel so lucky and blessed to be a part of the Randolphville family. Some of my favorite moments last year were our musical Three of a Kind, teaching the LEAP Strings Program, and Engineering Night. This year I am looking forward to all the wonderful memories we will make together!

All the best,

Matthew Worden
